The Northern District of Texas encompasses 100 counties in the state of Texas. In this district there are four divisional offices. The staffed divisional offices are located in Amarillo, Dallas (headquarters), Fort Worth and Lubbock. The initial assignment and transfer of divisional venue of all cases and proceedings is governed by 28 USC § 1408, 28 USC § 1409, 28 USC § 1412, and Fed. R. Bank. P. 1014.

Divisional venue is indicated numerically in the case number. The first numerical digit after the year and hyphen represents the venue to which the case has been assigned. For example, the following case number, 98-36701-RCM-7, is a Dallas case (3 = Dallas).

— Calendar Procedures

Chief Judge Robert C. McGuire

- General Docket

Attorneys may present agreed orders at the 9:15 a.m. and 1:30 p.m. docket calls and should contact the courtroom deputy to confirm dates and times for docket calls. Disagreements over the form of orders should be submitted to the judge in writing.

- Scheduling Settings

Most settings are scheduled with at least 20 days notice from the date the motion is filed. Disclosure statements and chapter 11 plans are set with 25 to 30 days notice from the date of the request. Claims objections and trustee's final account hearings are set with 30 days notice from the date of the request.

All settings, except emergencies and expedited requests, and Wichita Falls lift stays are set telephonically or by e-mail in advance of the filing of motions, applications, or adversary complaints. Contact the Courtroom Deputy to schedule a setting at 214/753-2060 or RCM_Settings@txnb.uscourts.gov.

For further setting procedures see: Notice Regarding Settings in Judge McGuire's Court dated March 24, 1997 (contact the Bankruptcy Clerk's Office for copies).

- Emergency/Expedited Requests

True emergency matters will be dealt with as they arise in the most expeditious manner possible under the prevailing circumstances.

Emergency/expedited settings will be set either by phone or in person. Please contact the courtroom deputy with as much advance notice as possible

prior to filing the expedited pleading.

- Telephonic Hearing Policy

Hearings may be conducted by teleconference when deemed appropriate by the Court. In approving a hearing by teleconference, consideration will be given to the nature and scope of the matter before the Court, number of parties seeking to appear by phone, associated time and cost of travel, and equity to all parties. Counsel may request a telephonic hearing by sending or faxing a letter to the courtroom deputy. *See Appendix A for more information.*

- Motions to Lift/Annul/Modify or for Relief from Stay

Dallas preliminary hearings on motions to lift stay are set by phone and must be set by movant within 30 days from the date of filing with notice to all parties. Preliminary hearings are scheduled on Wednesdays at 1:30 p.m.

Final hearings are usually scheduled each Wednesday at 2:30 p.m., except during trial week.

Preliminary hearings may be rescheduled to a final hearing or another preliminary date, or removed from the docket prior to the hearing by a phone call to the courtroom deputy by the movant, with notice to respondent(s). Final hearings may also be rescheduled or removed prior to the hearing in the same manner.

- U.S. Trustee Docket

The U.S. Trustee's docket is scheduled every fourth Thursday of the month at 9:15 a.m. Settings are scheduled by the attorney in the Office of the U.S. Trustee handling Judge McGuire's cases. The Bankruptcy Clerk's Office handles noticing.

- Chapter 13 Trustee Docket

The chapter 13 trustee's docket is scheduled on the fourth Thursday of the month at 2:00 p.m. These dockets are prepared by the chapter 13 trustee's office and are faxed to the court prior to the hearings. General dockets are always scheduled through the chapter 13 trustee's office.

- Resets/Removals from the Docket

When hearings/trials are requested to be reset, the party requesting the resetting has to certify to the courtroom deputy that all parties (or their attorneys) have agreed to the resetting. Improper resettings are grounds for substantial sanction. Frequently-agreed passes on the same matter may eventually necessitate proof of client consent, or result in the matter being dismissed for want of prosecution.

On an adversary docket call where it is announced that the matter is passed for settlement, the case will be dismissed for want of prosecution 30 days thereafter unless written explanation is furnished to the court, within such 30 days, explaining why the case needs to be retained on the docket or reset.

- Fee Applications

Fee applications are normally set for hearing. *See Appendix B for required Fee Application Cover Sheet.*

- Trustee's Final Report

Final Reports are reviewed by Judge McGuire and he notes whether a hearing is necessary. Noticing is handled by the Bankruptcy Clerk's Office. If no objections are filed, the court may consider it without a hearing. If objections are filed, the trustee will notice the objecting party only.

- Trial Docket Call/Adversaries

The Standing Scheduling Order and summons are processed and mailed to the attorneys by the courtroom deputy. Generally trial docket call is scheduled the last Monday of the month at 9:15 a.m. Generally, trial week is scheduled for the following week. The judge will schedule trials at the docket call or by signed court order. The plaintiff's attorney shall serve all parties the Standing Scheduling Order with the summons and complaint. Emergency and expedited motions should be filed with a copy and cover letter, either faxed or hand-delivered, to the Courtroom deputy stating the reason for the expedited setting. After review, the Judge will determine when an emergency shall be set. All emergency or expedited pleadings should be filed prior to setting. If not deemed an emergency, the courtroom deputy will set it through normal procedures. The courtroom deputy will contact the filing attorney to advise the date and time for the hearing.

- Telephonic Hearing Policy

Hearings may be conducted by teleconference when deemed appropriate by the Court. In approving a hearing by teleconference, consideration will be given to the nature and scope of the matter before the Court, associated time and cost of travel, and equity to all parties. Counsel may request a telephonic hearing by sending or faxing a letter to the courtroom deputy. *See Appendix A for more information.*

- Motions to Lift/Annul/Modify or for Relief From Stay

Preliminary hearings on motions to lift stay are set by phone and must be set by movant within 30 days from the date of filing (except for agreed motions pursuant to Rule 4001(d)) or they will be denied for want of prosecution. Preliminary hearings are scheduled on Tuesday mornings. Contact the courtroom deputy for a setting. Final hearings will be set by the courtroom deputy, if necessary, after the preliminary hearing.

Agreed or default orders submitted prior to the scheduled hearing date will be held until the hearing for signature.

- U.S. Trustee Docket

The U.S. Trustee's docket is generally scheduled every second Monday of the month at 9:15 a.m. Settings are scheduled by Mary Frances Durham, Office of the U.S. Trustee. The Bankruptcy Clerk's Office handles noticing.

- Chapter 13 Trustee Docket

The chapter 13 trustee's docket is scheduled on the first or second Thursday of the month at 2:00 p.m. Only continuations, dismissals, reinstatements and modifications are heard on this date. All other chapter 13 matters may be set by contacting the courtroom deputy. These dockets are prepared by the chapter 13 trustee's office and are faxed to the court prior to the hearings. General dockets are always scheduled through the chapter 13 trustee's office. The courtroom deputy cannot set on this docket unless instructed by the judge.

- Reaffirmations/Lien Avoidances

Only reaffirmations filed by pro se debtors will be set for a hearing by the courtroom deputy. Motions to avoid lien are filed with twenty day negative language. If the motion is contested it will be set for a hearing by the courtroom deputy.

- Resets/Removals from the Docket

When hearings/trials are requested to be reset, the party requesting the resetting has to certify to the courtroom deputy that all parties (or their

attorneys) have agreed to the resetting. Frequently-agreed passes on the same matter may eventually necessitate proof of client consent, or result in the matter being dismissed for want of prosecution.

On an adversary docket call where it is announced that the matter is passed for settlement, the case will be dismissed for want of prosecution 30 days thereafter unless written explanation is furnished to the court, within such 30 days, explaining why the case needs to be retained on the docket or reset.

- Fee Applications and Retainers

All fee applications require a hearing. Chapter 7 fee applications are heard at the Trustee's Final Account hearing. Chapter 11 fee applications are set on or after confirmation of the plan unless an interim hearing is approved by the Court. *See Appendix B for required Fee Application Cover Sheet.*

Fee applications shall include a statement of compliance with *First Colonial*, and **counsel** should review fee applications for accuracy and propriety before filing. Copies of interim fee applications accompanied by a letter indicating the necessity and justification for interim compensation should be sent directly to the court before requesting a setting pertaining to compensation.

Refer to N.D. TX L.B.R. 2016 for instructions pertaining to retainers. Generally, retainer fees are to be placed in a trust and may not be used without Court approval.

- Trustee's Final Report

Final Reports are reviewed by Judge Abramson and he notes whether a hearing is necessary. Noticing is handled by the Bankruptcy Clerk's Office. If no objections are filed, the court may consider it without a hearing. If objections are filed, a hearing will be held with notice to the trustee and objecting party only.

- Trial Docket Call/Adversaries

The fourth full week of each month (except Tuesday morning) is designated “trial week.” The trial docket will be called at 1:45 p.m. on the third Monday of the week before trial week. All attorneys with cases on the trial docket are expected to appear at the trial docket call and to be prepared for trial.

Upon the filing of an adversary proceeding the summons will be issued. The courtroom deputy will issue the scheduling order with the trial date and will return by mail the summons and scheduling order to plaintiff’s attorney. The plaintiff’s attorney shall serve all parties the Standing Scheduling Order with the summons and complaint. Compromise, settlement, and stipulations are expected to have occurred prior to the docket call. Documents are also to be exchanged and marked before the docket call. - Pleadings/Service of Pleadings

All original pleadings are to be filed with the Bankruptcy Clerk's Office. Pleadings filed less than two full business days before hearing should be so identified to the intake clerk and at hearing. Only attorneys may sign certificates of service and shall be accountable for service of pleadings and notice of hearing date and time.

RULES GOVERNING PRACTICE BEFORE THE COURT

— Admission to Practice

All duly licensed attorneys who are admitted to practice before the U.S. District Court for the Northern District of Texas shall be allowed to practice law before the bankruptcy court. Admission to the U.S. District Court for the Northern District of Texas is governed by Northern District of Texas' Local Civil Rule 83.7.

All partnerships, corporations and other business entities (other than an individual conducting business as a sole proprietorship) that appear in proceedings before this court must be represented by an attorney admitted to practice before this court.

An attorney who is not admitted to practice before this court may be permitted by the court to appear pro hac vice. Admittance pro hac vice is governed by Northern District of Texas' Local Civil Rule 83.9.

— Local Bankruptcy Rules

The Local Bankruptcy Rules of the U.S. Bankruptcy Court for the Northern District of Texas are to be used in conjunction with the Federal Rules of Bankruptcy Procedure in all cases and proceedings under Title 11 of the United States Code, except as otherwise ordered

by the presiding judge in a case or proceeding. Copies of the Local Bankruptcy Rules are available at the Bankruptcy Clerk's Office, on the Court's home page on the World Wide Web (<http://www.txnb.uscourts.gov>), or through PACER.

The Local Rules may be amended or supplemented from time to time as necessary for the proper administration of justice. Should any matter of practice or procedure require the attention of the court on a more frequent basis, the court shall from time to time enter general or standing orders. The Clerk maintains a file of all general and standing orders entered by the court. This file is available for public inspection during regular Clerk's Office business hours.

— Standing and General Orders

Standing and general orders are orders or rules of court which address the regulation of procedure in general, or in some general branch of the court's jurisdiction; as opposed to a rule or an order made in an individual case. They may or may not eventually be replaced by a local rule. Copies of all standing and general orders are available through the Bankruptcy Clerk's Office and on the Court's web page.

U.S. TRUSTEE AND TRUSTEES

— Responsibility

The Bankruptcy Judges, U.S. Trustees, and Family Farmer Bankruptcy Act of 1986, established a permanent U.S. Trustee system. The U.S. Trustee is charged with the responsibility of supervising the administration of cases and case trustees. Chapter 39 of Title 28, United States Code, is entitled “United States Trustee” and § 586, as amended by the 1986 Act, states that the U.S. Trustee shall:

1. establish, maintain and supervise a panel of private trustees that are eligible and available to serve as trustees in cases under chapter 7 of Title 11;
2. serve as and perform the duties of a trustee in a case under Title 11 when required under Title 11 to serve as trustee in such a case;
3. supervise the administration of cases and trustees in cases under chapter 7, 11, or 13 of Title 11 by, whenever the U.S. Trustee considers it appropriate:
 - a. monitoring applications for compensation and reimbursement filed under § 330 of Title 11 and, whenever the U.S. Trustee deems it to be appropriate, filing with the court comments with respect to any of such applications;

- b. monitoring plans and disclosure statements filed in cases under chapter 11 of Title 11 and filing with the court, in connection with hearings under §§ 1125 and 1128 of such Title, comments with respect to such plans and disclosure statements;
 - c. monitoring plans filed under chapters 12 and 13 of Title 11 and filing with the court, in connection with hearings under §§ 1224, 1229, 1324, and 1329 of such Title, comments with respect to such plans;
 - d. taking such action as the U.S. Trustee deems to be appropriate to ensure that all reports, schedules, and fees required to be filed under Title 11 and this title by the debtor are properly and timely filed;
 - e. monitoring creditors' committees appointed under Title 11;
 - f. notifying the appropriate U.S. Attorney of matters which relate to the occurrence of any action which may constitute a crime under the laws of the United States and, on the request of the U.S. Attorney, assisting the U.S. Attorney in carrying out prosecutions based on such action;
 - g. monitoring the progress of cases under Title 11 and taking such actions as the U.S. Trustee deems to be appropriate to prevent undue delay in such progress; and
 - h. monitoring applications filed under § 327 of Title 11 and, whenever the U.S. Trustee deems it to be appropriate, filing with the court comments with respect to the approval of such applications;
- 4. deposit or invest under § 345 of Title 11 money received as trustee in cases under Title 11;
 - 5. perform the duties prescribed for the U.S. Trustee under Title 11 and this Title, and such duties consistent with Title 11 and this Title as the Attorney General may prescribe; and
 - 6. make such reports as the Attorney General directs.

The legislative history of the Reform Act makes clear that the establishment, maintenance, and supervision of the panel of trustees is the U.S. Trustee's "primary function, and his most important contribution to the administration of the bankruptcy system" (H.R. Rep. No. 595, 95th Cong., 1st Sess. 439 (1977)).

— U.S. Trustee/Assistant U.S. Trustee

The U.S. Trustee for Region 6 (which includes the Northern District of Texas) is William T. Neary and the Assistant U.S. Trustee is George McElreath. The U.S. Trustee's Office is located at 1100 Commerce Street, Room 976, Dallas, TX 75242. The U.S. Trustee can also be contacted by calling 214/767-8967.

— Trustees

The trustee is a person appointed in a bankruptcy case to represent the interests of the bankruptcy estate and the unsecured creditors. In chapter 7 cases the trustee's responsibilities include reviewing the debtor's petition and schedules, liquidating the property of the estate, and making distributions to creditors. The trustee may also bring actions against creditors or the debtor to recover property of the bankruptcy estate. In addition to the responsibilities stated above, chapter 13 trustees are responsible for overseeing the debtor's plan, receiving payments from debtors, and disbursing plan payments to creditors.

FILING REQUIREMENTS

— Voluntary Petitions – Chapters 7, 9, 11, 12, and 13

Federal Rules of Bankruptcy Procedure 9009 prescribes that the official forms “shall be observed and used with alterations as may be appropriate.” These forms are not provided to the public by the Court. The forms can be obtained from commercial legal printers or office supply stores. They are also available through various computer software packages.

The official forms of the petitions, schedules, statements and plan are to be printed only on one side using 8½" x 11" paper. Each page of the original set is to be pre-punched with two holes at the top, and must have a sufficient top margin allowed so that neither caption nor text is destroyed or obscured. Compliance with these standards will facilitate both the securing of the papers in the case file and the reviewing of the file by the public.

The forms should be either typed or legibly printed. The petition should be arranged in the following order:

- Voluntary Petition*
- Notice to Individual Consumer Debtor(s) (if applicable)
- Statement of Affairs
- Summary of Schedules
- Schedules A – J (in alphabetical order)
- Statement of Intent (if applicable)

- Disclosure of Compensation
- List of Creditors
- Certification Verifying Creditor Matrix

* The voluntary petition must always be the top page and include both the debtor's and the attorney's *original* signatures.

The following are the requirements for emergency or minimum filings:

- Voluntary Petition
- Declaration on Behalf of Corporation (if applicable)
- Notice to Individual Consumer Debtor(s) (if applicable)
- Disclosure of Compensation
- Mailing Matrix
- Filing Fee or Application and Order to Pay Filing Fee in Installments
- List of 20 Largest Unsecured Creditors (Chapter 11 Only)

A Notice of Deficiency will be issued when a case is filed without the minimum required documents. The Notice of Deficiency will reference the deadlines applicable to the documents which are deficient from the voluntary petition filing.

The Court monitors these deficiencies and may enter an order of dismissal if they are not cured in the prescribed period of time (unless a motion to extend time for filing such documents is filed with the Court). If you feel that you have received a deficiency notice in error, do not ignore it; contact the Clerk's Office in the appropriate division immediately or the case may be dismissed.

An original and six copies of a petition under chapter 9 or 11 shall be filed. An original and three copies of a petition under any other chapter shall be filed. You must include an additional copy and a self-addressed, stamped envelope for each case submitted if you wish to receive a file-marked copy of the petition.

Failure to submit the appropriate filing fees with any document or an improper form of payment may result in the return of the document by the Bankruptcy Clerk's Office. Although not mandatory, it is advisable to use a separate check for each document requiring a filing fee. If only one check is used for numerous documents and one of the documents cannot be filed, the Bankruptcy Clerk's Office cannot accept the other documents (inappropriate filing fee) and

they are not allowed to make change.

— Involuntary Petitions General Requirements - Chapter 7 & 11

An involuntary petition may be commenced only under chapter 7 or 11, and only against a person (except a farmer or corporation that is not a moneyed business or commercial corporation that may be a debtor under the chapter under which such case is commenced [11 U.S.C. § 303]). The exception that a husband and wife may file a joint petition applies to *voluntary* petitions only.

Official form B5 is to be used in every involuntary case, including a partnership. The form provides space for the signature of the attorney and the petitioning creditors. Furthermore, the advisory committee's note to that form provides, in part: "Each petitioning creditor, by signing on the line provided, signs both the petition and the unsworn declaration which 28 U.S.C. § 1746 permits instead of verification. The addresses as well as the names of individuals signing the petition in a representative capacity are required, together with disclosure of which petitioner is represented by each signatory." Failure to sign the petition may constitute a serious defect in the filing. An involuntary case is commenced by three or more entities (petitioning creditors) with unsecured claims totaling at least \$10,000. The alleged debtor must also have 12 or more creditors. If there are fewer than 12 creditors, there must be more than 3 entities (petitioning creditors) that hold unsecured claims totaling at least \$10,750 to commence the case. As part of the filing requirement, the filing party must file a mailing matrix with the involuntary petition. Even though all creditors may not be known at the time of the filing, the filing party must submit at least the addresses of the petitioning creditor(s) and their attorneys on a matrix.

Upon filing, the Bankruptcy Clerk's Office will assign a case number to the involuntary petition; however, an appointment of a trustee will not be made until an order for relief has been entered. Additionally, the filing party will receive an instruction letter along with the summons. Service of the summons must be made within ten (10) days following the issuance of the summons. The party should file proof of such service with the Court. If a summons is not timely delivered or mailed, the party should write a letter to the Court asking for reissuance of the summons.

— Adversary Proceedings

Adversary proceedings are assigned a number (separate from the bankruptcy case number) which must be used in conjunction with the related bankruptcy case number in the caption of all adversary proceedings. Captions of adversary proceedings should clearly reflect the name of the debtor, plaintiff, and defendant.

Pursuant to Federal Rules of Bankruptcy Procedure 7001, an adversary proceeding must be filed when a party is seeking to:

1. recover money or property, except during a proceeding to compel the debtor to deliver property to the trustee, or a proceeding under § 554(b) or § 725 of the Code, Fed. R. Bank. P. 2017 or 6002.
2. determine the validity, priority, or extent of a lien or other interest in property, other than a proceeding under Fed. R. Bank. P. 4003(d).
3. obtain approval pursuant to § 363(h) for the sale of both the interest of the estate and of a co-owner in property.
4. object to or revoke a discharge.
5. revoke an order of confirmation of a chapter 11, 12, or 13 plan.
6. determine the dischargeability of a debt.
7. obtain an injunction or other equitable relief.
8. subordinate any allowed claim or interest, except when subordination is provided in a chapter 9, 11, 12, or 13 plan.
9. obtain a declaratory judgment relating to any of the foregoing.
10. determine a claim or cause of action removed pursuant to 28 USC § 1452.

Parties to an adversary proceeding are required to designate in their initial pleadings whether a proceeding is core or non-core (28 USC § 157 distinguishes between “core” and “non-core” proceedings). This designation is important to the judges and the Bankruptcy Clerk’s Office in determining how to process and handle final orders and rulings of the Court.

Subsections (4) and (5) of the Fed. R. Bank. P. 7004 address service of a summons and complaint (and in a contested matter, the motion (see Fed. R. Bank. P. 9014) on the United States or any officer or agency of the United States. Plaintiffs (or moving parties), frequently fail to effect service in accordance with these subsections. The most common defect is that service is not made on the Attorney General of the United States nor on the officer or agency involved – usually the U.S. Attorney for the district is served. There may be other parties who should also be served, such as the trustee, and that is a determination for the plaintiff (or the moving party) to make. Failure to effect such service could render any order issued on the objection invalid should the party not served subsequently file a motion under Fed. R. Bank. P. 7060.

After the adversary proceeding is filed, the Bankruptcy Clerk’s Office issues a summons. A summons is only valid for ten days following its issuance (Fed. R. Bank. P. 7004(f)). If the ten day period has passed without the summons being served, the plaintiff should request, in writing, that the summons be reissued.

Federal Rules of Bankruptcy Procedure 7055 (and Fed. R. Civ P. 55) provides the procedure for defaults and default judgments. The Clerk of Court plays a major role in entering defaults and, in certain circumstances, the Clerk can sign and enter default judgments. If the defendant has failed to respond, the plaintiff should file an affidavit of default, which sets forth the following facts:

1. The date of issuance of summons;
2. A statement of whether the court fixed a deadline for the filing of an answer or motion, or whether the 30 (or 35) day limit applies;
3. The date of service of complaint;
4. The date of filing of affidavit of service or certificate of mailing;

5. A statement that defendant is not an infant or incompetent person, nor has been in the military of the United States since the filing of the suit or for a period of six months prior to such filing;
6. A statement that no answer or motion has been received within the time limit.

There are certain time constraints when filing an adversary proceeding pursuant to § 523 and § 727 of the Bankruptcy Code. Please consult Fed. R. Bank. P. 4004(a)(b)(c), 4007(c)(d), and 9006(b)(3) for time constraints associated with complaints to determine dischargeability and objecting to discharge.

The party initiating an adversary proceeding (Bankruptcy Rule 7004) or a contested matter (Bankruptcy Rule 9013) against an insured depository institution shall make service on insured depository institutions by certified mail when that service is required by Bankruptcy Rule 7004(h).

All appeals must be directed to the U.S. District Court for the Northern District of Texas. Failure to comply with the requirements set forth in the Order and Notice of Guidelines Regarding Appeals to the District Court, as outlined below, may result in the dismissal of the appeal or other action as determined by the U.S. district court judge subsequently assigned to the appeal.

— Designation of the Record

Rule 8006 of the Bankruptcy Rules provides that within ten days after filing the Notice of Appeal or entry of an Order Granting Leave to Appeal, the Appellant shall file with the Clerk of the Bankruptcy Court and serve on the Appellee(s): (1) a "designation" of the items, including transcripts and exhibits, to be forwarded as the Record on Appeal; and (2) a "statement of the issues." Within ten days after service of the designation and statement, the Appellee may file and serve on the Appellant a designation of additional items to be included in the record on appeal. You are further required to identify pleadings in your designation by indicating the title of the document and the document number. The document number appears immediately to the left of the entry of the pleading on the docket sheet.

— **Failure to File a Designation of Record**

Failure to file a proper and timely Designation of Record will be deemed an indication that the Appellant does not wish to pursue the appeal. The record on appeal consisting of a certified copy of the docket sheet, the Notice of Appeal, and the order from which the appeal is taken will be transmitted to the U.S. District Court with a notice of the deficiency indicating that you failed to file a Designation of Record.

— **Transcript of Proceedings**

For information on obtaining a transcript of proceedings, please see "General Information - Transcription and Tape Duplication" of this publication.

— **Completion and Assembly of the Record on Appeal**

Although the primary responsibility to transmit the Record on Appeal rests with the Bankruptcy Clerk, the amendment to Rule 8006, as of August 1, 1991, provides that: "Any party filing a designation of the items to be included in the record shall provide to the clerk a copy of the items designated." You may provide file-stamped copies of all designated items, including exhibits from your own file.

In the Dallas Division, you may obtain copies from the Court's contracted copy service at 214/752-2212. Arrangements for obtaining copies can be made by completing a Bankruptcy Court Copy Request form and delivering the completed form to the copy service. The form must be submitted to the copy service within five days of receipt of the Order and Notice of Guidelines Regarding Appeals to the District Court.

Also, pursuant to Bankruptcy Rule 8006, all copies of designated documents must be two-hole punched at the top, assembled in the order in which they are listed on the Designation/Cross-Designation and fastened into durable, pressboard binders with labels.

— Transmittal of the Record to the District Court

When the record has been assembled (including transcripts and exhibits) and after the expiration of applicable time limits, the Clerk of the Bankruptcy Court shall transmit the record to the Clerk of the District Court. Upon receipt of a complete record, the Clerk of the District Court will enter the appeal on the docket and shall provide written notice to the parties of the day on which the appeal was docketed. Your obligation under Rule 8009 to file appellant briefs begins on the date of entry of the appeal on the district court docket. Deficient designations will be presented to the presiding U.S. district judge for a determination on dismissing the appeal.

— Interlocutory Appeals

Pursuant to Rule 8003 of the Bankruptcy Rules, the Notice of Appeal from an interlocutory order of the Bankruptcy Court must be accompanied by a "Motion For Leave To Appeal" under 28 USC § 1334(b) or § 1482(b). Within ten days after service of the Motion, an adverse party may file with the Clerk of the Bankruptcy Court an Answer in Opposition. Once the ten day period for submission of an Answer has expired, the Notice of Appeal, the Motion for Leave to Appeal and any answer in opposition will be transmitted by the Clerk of the Bankruptcy Court to the Clerk of the U.S. District Court for assignment to a U.S. district court judge.

— Statement of Costs

After transmittal of the Record on Appeal and pursuant to Bankruptcy Rule 8014, all parties are required to file a statement of the costs incurred in preparation of the Record on Appeal and Briefs filed in U.S. District Court.

The Bankruptcy Clerk's Office will prepare and transmit a Certificate of Costs to the U.S. District Court. This statement must be received at the Bankruptcy Clerk's Office no later than five days after filing Briefs with the U.S. District Court. If there are oral arguments granted, an additional statement of costs may be filed with the Clerk of the Bankruptcy Court. Any additional statements of cost based on costs associated with oral arguments must be received in the Bankruptcy Clerk's Office within five days after oral arguments are concluded. Except for statements of costs where oral arguments are granted, no Certificate of Costs regarding statements incurred in the preparation of the Record on Appeal and Briefs will be prepared or transmitted by the Bankruptcy Clerk's Office for any party that did not comply with the five day time limit established above.

The following recommendations should be useful in enhancing the teleconference quality.

1. Speaker phones may not be used. It has been the court's experience that background noise is magnified by the courtroom sound system and is too distracting.
2. Parties should speak using a normal telephone handset. Please be aware that noise from parties participating by phone is magnified by the sound system in the courtroom. Paper-shuffling, coughing, and any other noise is very distracting to all parties. If you have a mute feature on your phone, please use it.

Upon court approval, judicial staff will instruct the party requesting the phone hearing to arrange for the conference call to be set up and then dialed through to the appropriate chambers¹. If more than one party will appear via phone, then the court will instruct a party to arrange for a conference call operator to set up the call on a single line. Placing a call to court late is the same as coming to court

late. You will not be heard. Parties may not be added to a conference call once the hearing has commenced. On occasion, the court will dial a party directly.

All participants must be in place and prepared for the conference call at least fifteen minutes prior to the scheduled hearing time. Parties must remember to state their name for the record before speaking.

Technical assistance or information regarding the configuration of teleconference equipment may be obtained from the Court Telecommunication Specialist, Tim Christnagel, at (214)753-2020.

¹These procedures are subject to judicial modification, you will be advised of any additional requirements when your request for teleconference is granted.
